Name of person who received award.....

Date of Award.....

Execam had a camera crew taping **all** of the investitures and we are pleased to be able to offer you a DVD of the ceremony and presentation of the award.

The production includes a record of the official comments made on the day and some background on the honours system. Your DVD or video however will not include all the other recipients receiving their awards; it will be tailored to you alone.

The cost for a DVD will be \$100, which includes GST and postage & packing within New Zealand.\* If you'd like more than one copy, each additional copy will cost \$10 extra, (eg 2 DVDs cost \$110 in total). If in the future, you wish to order additional copies after your initial order, the cost will be \$50 for the first, then \$10 for each additional copy. You can however send back the first DVD for us to copy, and you will be charged only \$10 per copy. Please note that Video / VHS copies are not available.

Should you care to avail yourself of this offer, please fill in the lower portion of this page and return by post, or fax. Order forms are also available on our website shop.
